## **NEW** WorkForce Pro® WF-4835

**Powered by PrecisionCore™ Heat-Free Technology delivering Performance and Efficiency for Small Businesses and Workgroups**

Get heavy-duty performance for your busy workgroup with the WorkForce Pro WF-4835 all-in-one printer. Featuring the fast print speeds and a 500-sheet paper capacity, it's perfect for high-volume printing — with two trays for hassle-free versatility. Save time with its 50-page Auto Document Feeder and auto 2-sided printing, copying, scanning and faxing. Plus, its 4.3" colour touchscreen offers easy navigation. Combining powerful performance with a space-saving design, it's the ultimate in efficiency.

### **Key features**

- **Fast print speeds** — get enhanced business productivity with speeds of 25 ISO ppm (black) and 12 ISO ppm (colour)<sup>1</sup>
- **Versatile, high-volume paper handling** — 500-sheet capacity, with two paper trays to accommodate different sizes and media types, including envelopes
- **Boost productivity** — 50-page Auto Document Feeder and auto 2-sided printing, copying, scanning and faxing
- **Easy touch- and swipe-based navigation** — 4.3" colour touchscreen LCD
- **Ultimate efficiency** — ultra powerful performance packed in a compact, space-saving printer
- **Professional quality** — print-shop-quality colour graphics and laser-sharp black text
- **Ultimate wireless connectivity plus Ethernet** — easy iPad®, iPhone®, Android™ tablet and smartphone printing<sup>3</sup>; includes Wi-Fi Direct<sup>4</sup> network-free printing
- **Convenient** — available high-capacity XL ink cartridges let you replace ink less often

## TARGET MARKET AND POSITIONING

Powered by PrecisionCore Heat-Free Technology, the **WorkForce Pro WF-4835** multifunction inkjet printer delivers high quality printing, scanning, copying and faxing results. It is primarily aimed at small business and workgroup users who require high productivity combined with low running costs and superior speed.

### Super Fast Auto two-sided print speeds

The WorkForce Pro WF-4835 delivers professional quality, two-sided colour prints at super fast print speeds, making it easy to increase productivity, without compromising quality. Boasting improved print speeds of up to 16 ISO ppm (black) and 9 ISO ppm (colour) two-sided, any project can be handled with speed and ease.

### Ultra-efficient paper handling

The WorkForce Pro WF-4835 boasts **2 x 250-sheet paper trays** for efficient paper handling. Additionally, the two-sided Automatic Document Feeder will copy and scan one and two-sided originals.

### High-speed faxing

The **50-page Automatic Document Feeder** enables quick faxing of one or two-sided documents. Faxing speed is as fast as 3 seconds per page, including 180 page memory capacity with storage of up to 99 phone numbers. For enhanced productivity, PC-Fax is included allowing a fax to be sent directly from a computer.

## Economical

### Change cartridges less often

With the extra-large, high capacity 812XL cartridges, users can print more than four reams of paper at a time before changing cartridges<sup>4</sup>. Utilising the 812XL cartridges, the WorkForce Pro WF-4835 achieves a yield of approximately **1100 pages in black and 1100 in colour**.

Alternatively, for users with lower print volume requirements, the 802 cartridges can achieve a yield of approximately **350 pages in black and 300 in colour**. Replace only the colour you need with affordable, individual ink cartridges.

### Save energy, save paper

With the WorkForce Pro WF-4835's automatic, two-sided printing and copying, users can save up to **50% on paper supply**.

### Reliability

This dependable workhorse also comes with a **one-year return-to-base warranty** for dependable service and support. Phone support is included, without charge, for the life of the product.

## Superior Performance

### Epson Connect<sup>2</sup> - Print anywhere, anytime

The new WorkForce Pro WF-4835 features a new paradigm of mobile printing convenience. **Epson Connect** and other supported services give users the freedom to print photos,

documents and web pages wirelessly over a home network, or even remotely from anywhere in the world. Epson Connect comprises *Epson Connect Email Print*, which allows customers to print electronic mail and file attachments by sending them to an e-mail enabled Epson printer.

Also part of Epson Connect is *Epson iPrint* support, empowers users to access, print and save photos and documents on iOS devices. Users can also scan them to their devices or send them via email. This application can be downloaded free of charge from the Apple® iTunes® store. Support for *AirPrint* enables direct wireless printing from iOS devices, without the need for additional drivers or software downloads.

### Built-in wireless networking

The WorkForce Pro WF-4835 is **Wi-Fi CERTIFIED™<sup>3</sup>** enabling networking which delivers up to 2.5 times the performance of the previous standard 802.11g. The WF-4835 features **Wi-Fi Direct** enabling users to easily connect to wireless networks in seconds, allowing printing from virtually any room in the office.

### 4.3" smart touch panel

The WorkForce Pro WF-4835 features a large, intuitive touch panel for quick and easy navigation through critical tasks. Smart and simple icons make any task easy.

### Convenient scanning features

The WorkForce Pro WF-4835 will scan and save electronic copies of printed reports, or turn documents into editable text with the OCR software included<sup>5</sup>. Additional features include scan-to-PDF. The wireless connection enables the user to select a computer to send a file to the printer's USB port and allows files to be uploaded straight to the PC.

### Ultra sharp text and vibrant graphics

Exclusive to Epson, **DURABrite® Ultra Ink** is a versatile pigment based, 4 colour ink technology which delivers brilliant, ultra-sharp detail on plain and specialty papers. These fast drying inks deliver durable prints which are water, fade and smudge resistant, as well as highlighter friendly

<sup>1</sup> Black and colour print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on system

configuration, software, and page complexity. See [www.epson.com.au/printspeed](http://www.epson.com.au/printspeed) for details.

<sup>2</sup>Most features require an Internet connection to the printer, as well as an Internet and/or email-enabled device. See [www.epson.com.au/connect](http://www.epson.com.au/connect) for a list of Epson Connect enabled printers and compatible devices and Apps.

<sup>3</sup>WiFi CERTIFIED™, level of performance subject to the range of the router being used. WiFi Direct may require printer software.

<sup>4</sup>Performance will vary based on print task and use conditions.

<sup>5</sup>Some applications and/or functions may not be supported under Mac OS X.

## Product Specifications

Printer type	Multifunction
Ink type	DURABrite® Ultra Ink
Ink colours	4
No. of cartridges	4
Cartridge Yield (XL Cartridges)	1100 pages black / 1100 pages colour
Cartridge Yield (Standard Cartridges)	350 pages black / 300 pages colour
Max print resolution	4800 x 1200 dpi
Max scan resolution	1200 x 2400 dpi
ISO/IEC 24734 Print speed black (1-side)	25 ppm
ISO/IEC 24734 Print speed black (2-sided)	12 ppm
ISO/IEC 24734 Print Speed Colour (1-side)	16 ppm
ISO/IEC 24734 Print Speed Colour (2-sided)	9 ppm
Scan to PC / Scan to PDF / Scan to email	Yes / Yes / Yes
