

BLUPEAK

USB-C Magnetic Adapter / Cable

Easily connect and disconnect the Blupeak Magnetic USB-C. With the USB-C Adapter simply attach it to any existing USB-C Cable or Charger for safe and reliable charging. With three secure pin holders and magnetics the connection will stay connected and secured but still release if the cable or device is snagged or picked up. With support for Charge up to 100W and Sync at USB 3.1 Gen 2 - 10Gbps use this adapter on any USB-C device or charger with confidence.

Suitable for any Windows USB-C Laptop, Apple USB-C MacBook and iPad Pro range.
